## CAREER EXPERIENCE

### 2012-CURRENT

#### CAREERS & TECHNICAL EDUCATION: MEDIA & JOURNALISM

*Lower Kuskokwim School District, Bethel, Alaska, USA*

- **Journalism Classes:** Developed and instructed online high school journalism classes.
- **Advanced Journalism Classes:** Coordinated and instructed over a dozen hands-on intensive programs in which students travel as official Student Reporters ([www.lksd.org/ejournalism](http://www.lksd.org/ejournalism)).
- **Website Training:** Trained school staff to build and maintain school websites using Wordpress.
- **CTE Programs:** Served as support in planning and running other CTE department programs, including aviation, STEM (science, technology, engineering, and math), and robotics programs.
- **Multimedia Contest:** Ran the regional multimedia contest ([www.lksd.org/multimediacontest](http://www.lksd.org/multimediacontest))
- **Film Academy:** Coordinated and instructed summer camps in which students learned how to create short films ([www.lksd.org/summeracademies](http://www.lksd.org/summeracademies)).
- **Online Credit-Recovery Programs:** Created and implemented a district-wide system for students to recover high school credit using online programs.

### 2011

#### EDUCATION SPECIALIST: TECHNOLOGY

*Lower Kuskokwim School District, Bethel, Alaska, USA*

- **Staff Training:** Provided professional development at district-wide in-services, on-site school trainings, and distance-delivery via online and video conference technology.
- **Itinerant Trainer:** Traveled to remote LKSD schools to conduct on-site trainings, teach model lessons, and work one-on-one with teachers to integrate technology into their classrooms.
- **Research:** Research current technology education trends and upcoming advances

**2007-2011**

**TEACHER**

*Lower Kuskokwim School District, Akiuk Memorial School, Kasigluk, Alaska, USA*
